WORK EXPERIENCE

Frontend Web Developer Aug 2022 - Feb 2023

Digital Gregg | New York, United States | Internship + Project base

I engaged in a 3-month internship followed by 3-4 months of part-time project-based roles at the company. This allowed me to dive into practical web development, refining my expertise in WordPress, JavaScript, and React.js. I actively contributed to designing user-friendly websites, cementing my front-end development skills and nurturing my enthusiasm for creative digital solutions.
